MP3 players maybe supplied on request. For further information please call 03 9322 3713 or see artshouse.com.au

30 minutes no interval

rotozaza.co.uk

Wondermart takes a mischievous swipe at the dominance of supermarket culture and consumerism. This interactive audio tour takes you on a journey of rediscovery through the familiar surroundings of the supermarket. Wearing headphones and anonymous behind your trolley, you are guided around the aisles immersed in a private world, as the carefully constructed soundscape overlays a fictional world that blurs the real with the imaginary.

Created by: **Silvia Mercuriali** in collaboration with **Matt Rudkin** and **Tommaso Perego**
